

3 The Future of Grimsby Town Centre The Opportunity for Grimsby

A vision for the future

Grimsby town centre will be a successful and vibrant town centre that is well used by local people and visitors throughout the day and the evening. It will provide a range of functions and be home to a number of uses including shopping, businesses, homes, cafes and restaurants, and leisure activities. There will be exciting spaces for all ages to learn, explore new things, and develop skills. Grimsby will be known for clean town centre growth and use of low carbon technologies. It will feel safe and welcoming to all and its heritage assets and waterside location will be celebrated and well used.

In order to achieve this vision, the following principles have been identified:

- 1** Providing a range of uses including shops, cafes, new leisure facilities, homes and offices

- 2** Opportunities for people to reconnect and enjoy the water

- 3** Making the most of Grimsby's heritage

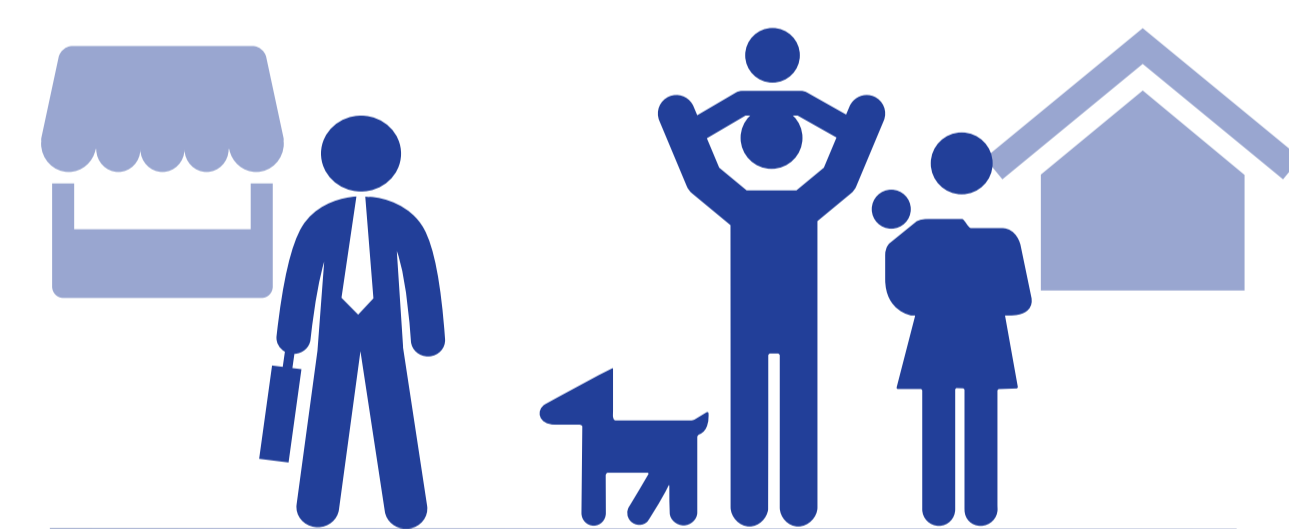

- 4** Opportunities for local people to be involved in helping to shape future plans

- 5** Making it easier to move around the town centre in environmentally friendly ways

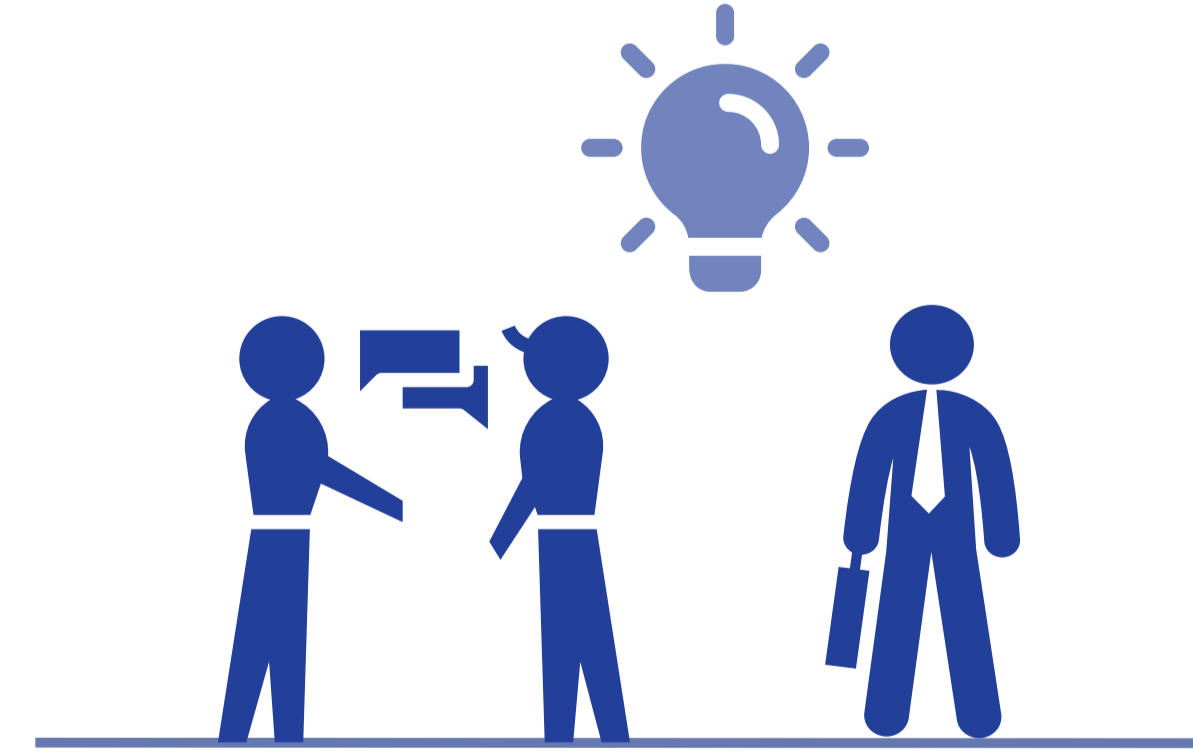

- 6** Bringing forward undeveloped sites for a range of new sustainable uses

- 7** Creating quality public spaces for people to enjoy and take part in new activities

- 8** Places to learn new things and set up a business
